

Connecting Researchers, Advancing Scholarship

WFRN Fall Update 2017

WFRN Presidents Announce Conference Keynotes and Pre-Conference Day. As the excitement begins to build for the June 21-23, 2018 WFRN conference, WFRN's co-presidents Kathleen Christensen and Marcie Pitt-Catsouphes announce keynote speakers at the upcoming event, new members of the conference program committee, a pre-conference day on June 20 focusing on different approaches researchers can adopt to collaborate with "end-users" of research information, and a call for symposia ideas and other suggestions. [Read more...](#)

New and Upcoming Research Spotlights Highlight Early Career Fellows. The WFRN Committee to Connect Research, Policy and Practice describes new and upcoming contributions to its Research Spotlight series. In 2017-2018, the series will highlight the work of WFRN's Early Career Fellows. [Read more...](#)

WFRN International Committee Releases New Country Updates. A new report from the WFRN International Committee updates work and family developments in Brazil, Canada-Quebec, Greece, UK, and USA, and adds a new report on South Africa to the original ten countries featured in its 2014 and 2016 editions. New reports on Ireland and India are anticipated in 2018. [Read more...](#)

Scholars Note Highlights from the International CWF Conference. Professor Caitlyn Collins of Washington University in St. Louis describes her energizing experience at the 7th International Community, Work and Family conference held in Milan this past May, and the WFRN International Committee offers details of a symposia and a workshop they organized and presented at this event.
